

2018-2019

Andover Vocal Music Concert Program Sponsorship Campaign

The Andover Vocal Music Association is again offering an opportunity for you to support Andover's musical growth AND reach your local customers!

Our Concert Program Sponsorship campaign provides funding for costumes, transportation, and music for all Andover High School choral groups. Because of support from local businesses and friends we have been able to expand the music program.

We hope that you will demonstrate your commitment to arts education in Andover by purchasing a business or patron ad in our concert programs this year. Your ad will be in all the programs for the 2018-2019 season. These performances are well attended by students, families, and the community at large which provides you a great opportunity to reach your customer base on several occasions! Thank you in advance for your consideration.
